Announcements

Our Nonprofit Newsletter readership is growing every month. Thank you for your interest! We met many people in the Nonprofit Community this month at Spark, the Colorado Nonprofit Association's Annual Conference, right around the corner from our building in the Technology Center. There is always so much to learn in this area, and we hope to continue to be a resource to all of you.

Please continue to share your thoughts with us by replying to this email. Again, please do not unsubscribe from these emails, as there will be important information communicated to you through this newsletter. **As always, your feedback and questions are always welcome!**

Current Sponsorship

Employees who wear jeans on Fridays pay \$5 per week in support of a charity. For the entire month of October, we are promoting our Jeans Fridays for a nonprofit called Sreen Free, which brings awareness to parents of young children about the dangers of exposing them to too much - or any - screens, such as television, computers, tablets and phones.

Learn more at www.screenfreeforme.org.

Recent Sponsorships

On October 2, 2014, Team Bauerle (19 employees) walked 1-2 miles in support of the

Leukemia & Lymphoma Society's Light the Night Walk carrying red, white and gold lanterns in support of the cause, in support of, and in memory of victims. With employee and company contributions, we raised our goal of **\$3,000!**

Recent Events

On October 22, Bauerle held a free nonprofit accounting seminar called **The Ins and Outs of Nonprofit Accounting**. We had a great turnout from our nonprofit clients and community who came to learn about nonprofit accounting as well as the need for retirement plans among nonprofit employees. Of course, they could've come for the free lunch, but we like to think it was the information. Stay tuned and open our emails to learn about a repeat performance by Christine Nibbelink and Mitch Cook in the coming months!
